

Environmental Sustainability Policy

Statement

The Ball & Doggett Group, comprising of Ball & Doggett Australia, BJ Ball Group New Zealand and Aarque Group New Zealand is committed to managing our business in an environmentally responsible manner; to care for the environment in which we live and work; and to sustain its quality for the benefit of future generations. We aim to minimise our impact on the environment, to continuously improve performance, and to promote the protection and enhancement of natural resources and ecosystems.

Scope

This policy applies to all Ball & Doggett Group operations throughout New Zealand and Australia.

Guiding Principles

- Environmental commitments are integral to our day to day activities.
- Environmental stewardship is the responsibility of all Ball & Doggett and BJ Ball employees.
- We are committed to open communication and good relationships with our local communities.

Objectives

The Ball & Doggett Group aims to:

- Continuously improve our environmental management systems.
- Maintain full compliance with environmental regulations.
- Regularly review and report our environmental performance.
- Ensure employees and contractors have training and resources to fulfil their environmental responsibilities.
- Promote sustainable forestry and the use of sustainable fibre inputs for the manufacturing of our paper and packaging products.
- Promote paper recycling.
- Reduce greenhouse gas emissions from our business operations.
- Reduce waste to landfill from our business operations.
