

## PRODUCT DESCRIPTION

Eco100 is a first class, environmentally responsible offset paper, produced using FSC® certified, 100% Post Consumer Recycled, PCF pulp. Suitable for both Offset and Digital printing methods, Eco100 offers excellent opacity, print performance and colour reproduction at an affordable price. Eco100 is also suited to projects where longevity is required due to its lower Ph levels.

## PRODUCT INFORMATION

### Key Features:

- Natural recycled appearance
- Good sheet formation for superior ink hold-out, consistent colour reproduction and print performance
- ISO9706 accredited for projects where longevity is required
