

YUPO® Robust (QJJ)

### PRODUCT DESCRIPTION

YUPO is an advanced and environmentally sound synthetic paper range, offering waterproof and tear resistant properties for durability & longevity. Constructed from polypropylene, YUPO is dust free plus chemical, oil and UV light resistant.

YUPO Robust is a heavy weight, robust, environmentally sound synthetic board with outstanding heat tolerance, superior tear resistance and dimensional stability in wet or outdoor applications. Constructed from polypropylene it has identical semi-matt treated surfaces on both sides to deliver superior print results.
